SECOND QUARTER REPORT CARD = November 1 - January 21

Students are expected: (1) to cooperate with teachers, adults, and peers [CONDUCT], (2) to be prepared with classwork, materials, parent signatures, and to record accurately homework assignments [EFFORT], and (3) to submit homework assignments on due date, completed neatly and accurately [HOMEWORK]. Therefore, the calendar blocks ought to remain blank/empty. The code C, E, or H followed by teacher initials or subject title indicate that the student failed to meet the expectation.

Students are responsible to have a parent examine the calendar and sign or initial it at the end of each week. If this record sheet is lost, the teacher will assign a judgement grade.
